

BADGER STATE 250

SUNDAY JULY 8, 2012

BEGINS IN KEWASKUM “The Gateway to the Northern Kettle Moraine”

All Corvette owners are welcome to join the “tour of the kettles”

The tour is planned to spend the day visiting different venues in Washington & Sheboygan counties and of course putting some miles (not 250, but a few) on your Vette. The tour would not be complete without a few rallye questions for driver and navigator to work on in order to win a fabulous trophy or prize at the end of the run

In order to protect national security the exact location of stops on the tour will not be disclosed until the drivers meeting on the day of the event. Bring along some loose change to pay for some of the experiences.

Here is the general plan of events:

Coffee and donuts served at the condo between 8:30 AM and 10:00 AM.

Driver’s meeting at 9:45 AM with first car out at 10:00 AM

Wind your way through the Kettles

Top at a farm and

Sunday Brunch around 12:15 PM (\$9.95)

Fishing.....Bring a cooler for your catch. You have to keep what you catch. (cleaned/cost per pound)

Your host and planner for the event is **Ed Wendorf**. He starting point for the event is my condo in Kewaskum WI. The event is a tradition of Badger State Vettes, but open to all Corvette owners.

If you are able to participate give me a call or send an email **by July 5th**.

I’m **located at 678 County Highway H**. That’s about 1/2 mile west from the stoplight near the Dairy Queen on Highway 45 in “downtown” Kewaskum.

Hope to hear from you. **414-380-2776** or ed@techpatriot.com
